MESSAGE FROM THE CHIEF EXECUTIVE OFFICER

Dear Community of HOPE supporters,
Every day at St. Jude's Ranch for Children, we ask children, families, and young people experiencing abuse, neglect, and homelessness to have hope. We ask them to believe in themselves, in us, and in a brighter future, and because of you, our amazing partners, who believe in our mission, we can positively impact the lives of those we serve. We are so grateful for your support, and we believe that together we can achieve extraordinary results as a community of hope and healing!

In 2022, our 56th year of service to Nevada, our staff helped over 586 children and young people, all victims of abuse, neglect, exploitation, homelessness, brokenheartedness, and feeling so alone. We provided a critical array of services such as safe housing, physical and mental health services, basic skills training, educational support, and much more.

In this report, you will see real pictures of our children and young people and read about the individualized services we have provided them. Individualized treatment is a hallmark of all our programs because each of them is a unique individual with hopes and dreams. Their successes inspire us to keep going and to keep expanding our reach.

Sincere gratitude to our compassionate staff who, day in and day out, remain steadfast in helping children and young people increase hope while accessing the support they need to heal.

We thank our Board of Trustees, donors, partners, and volunteers. We know our results would not be possible without your commitment to our mission and vision to break the cycle of abuse.

On behalf of the children, families, and young people we serve, thank you for linking arms with us; we know that we can do great things together!

In your partnerships,

Dr. Christina Vela
Chief Executive Officer

We're on a mission

Transforming the lives of abused and at-risk children, young adults and families by empowering them to create new choices and new hope in a caring community.

OUR IMPACT

It is because of **YOU** that St. Jude's Ranch for Children is able to provide youth with the resources they need to overcome the torturous cycle of abuse and neglect.

Read the inspirational stories of Nicole and Aria. These two individuals exemplify the exponential impact of what a **Community of Hope** can provide.

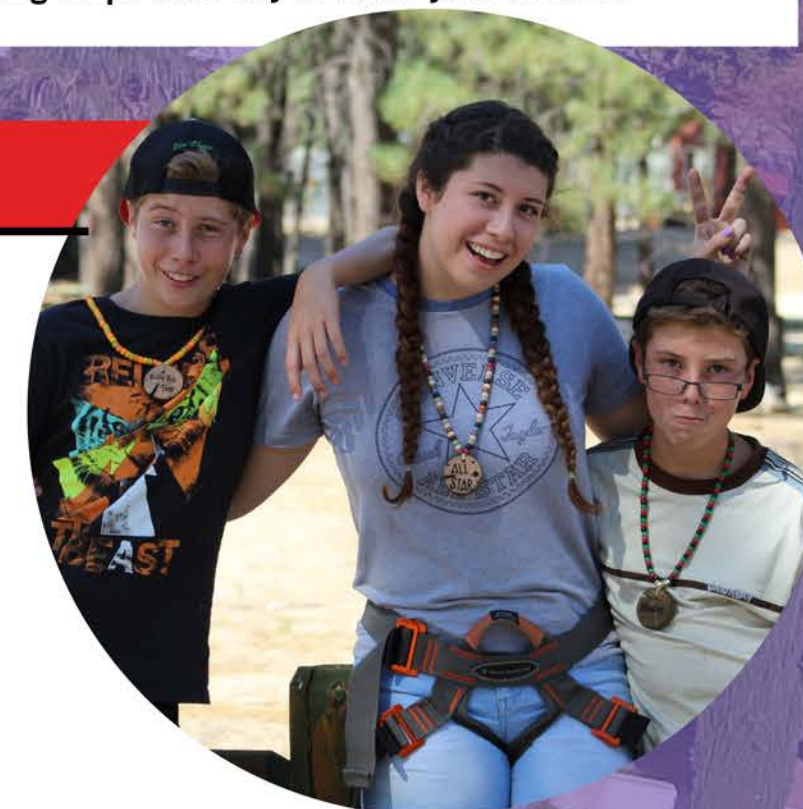

MEET NICOLE

Nicole is a true story of “if you put your mind to it, you can accomplish anything.” Our Crossings Transitional Housing program marked the starting line for Nicole two years ago and since coming to our program she started College of Southern Nevada all while holding a job. Nicole’s drive allowed her to pay for her own rent, she stayed focused and was able to graduate to our Rapid Re-housing program where she moved into her own apartment in the community. She was then recommended for a job training program that recently welcomed her as a paid staff member of St. Jude’s Ranch for Children’s as a receptionist. Thanks to the resources and support once offered to her, Nicole has a desire to one day be a case manager and is working toward that goal. We are proud of you Nicole! Keep shining brightly and taking steps each day towards your dreams!

MEET ARIA

Being from a rural part of Nevada meant that Aria and her family would have to travel greater lengths to spend time together at Camp to Belong 2022. Flying in from a small airfield outside of Winnemucca - Aria and her brother Cole came to Camp to Belong with their first of many adventures faced before arrival. Since camp, Aria has continued to face challenges head on and persist in pursuit of her growth.

Aria worked hard to get herself through college with support of her academic and extracurricular efforts. Currently with the aid of the St. Jude’s Ranch Career Opportunity Scholarship fund Aria is working towards a Master’s Degree in public policy while employed as a case manager at a local food bank. Inspired in part by her time with St. Jude’s Ranch for Children, Aria looks to complete her degree to pursue a career assisting those in need. We are so proud of you Aria! Keeping dreaming big and working hard to accomplish your amazing goals!

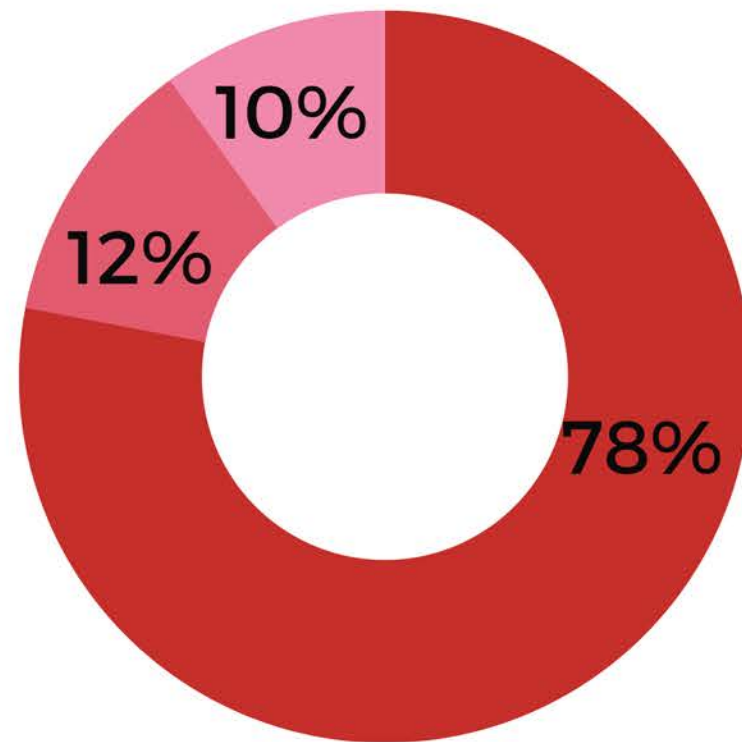

OUR FINANCIALS

July 2021-June 2022

- 14% Program Service Fees
- 6% Thrift Store, Chapel Rentals, Investment Income

BUILDING ON A LEGACY

THE HEALING CENTER

of hope & healing

PROJECT *summary*

St. Jude's Ranch for Children, a community of healing and hope, is building on its 56-year legacy. With the help of our construction team—Grand Canyon Development Partners, EV&A Architects, Taney Engineering, and The Whiting-Turner Contracting Company—we will build a campus for children who are victims of sex trafficking that is unlike any other nationwide with safe therapeutic homes and a

specialized nurturing recovery program. The campus will sit on 10 acres of land with a series of individual therapeutic homes to help a growing victim population that has nowhere else to turn for holistic treatment and housing options. The first of its kind in the country, the Healing Center will address every facet of the recovery process, while providing a safe space in which survivors can heal, while still participating in fundamental parts of childhood, including going to school and creating happy, positive experiences. Construction is expected to be completed by Spring of 2024 and the center is expected to be open for residents by Summer 2024.

2023 INITIATIVES

Continue to advocate for the critical needs of the underserved population of child sex victims

Further develop the Healing Center's leadership team to include partnerships with Clark County School District for program development

Fundraise and partner with those who are committed to the Healing Center's mission and vision.

\$12,058,261 RAISED

FUNDRAISING GOAL
\$25,000,000
